

POLICY REGARDING TO DONOR CONFIDENTIALITY

1. The Foundation wishes to acknowledge donors and the amount of their contributions on an annual basis. At its option, the Foundation will publish the donor's name, the fund, and the amount donated. Donors wishing to remain anonymous will be listed as anonymous.
2. All contribution forms will include an option that allows the donor(s) to remain anonymous. Donation forms will be completed for all contributions. The Foundation will make reasonable efforts to ensure the donor has an opportunity to decline publication.
3. In the case of a fund, which the Foundation manages and administers for a third party (e.g. North Shore Arts Commission/Fund for the Arts on the North Shore) the Foundation will release a list of donators annually. Donors wishing to remain anonymous will be listed as anonymous.
